The final will be divided into the following 2 divisions: o Maximum height 84cms o M&M maximum height 76cms

Method of Judging:

- Horses / Ponies will enter the ring individually and jump a course of obstacles designed to produce a maximum of 10 jumping efforts. Course Builders are recommended to avoid fences with a related distance.
- Each jumping effort will be marked out of 10 and 20 for overall impression – at the Judge's discretion.
- There is no set penalty for a pole down or run out but three refusals will result in elimination.
- Fall of horse or rider will result in elimination.
- There will be no mark awarded for conformation or manners, but a mark will be awarded for overall impression at the completion of each round.
- In the event of a tie, the overall impression mark will determine the final placings. Should there still be an equality of marks, the jumping marks will be taken into consideration – the comparison beginning with fence one and continuing thereafter until a result is achieved.
